## IHSAA Member Schools:

MaxPreps is the “Official Digital Media Partner and Statistician” for the Indiana High School Athletic Association. The partnership will provide all member schools with a streamlined process to submit box score information for important IHSAA initiatives. As a part of the partnership, all information entered into MaxPreps is automatically sent to the IHSAA to manage game results, stat leaderboards, state championship brackets, season standings, state records, media publications, media guides, and more! **In order to accurately manage the above IHSAA initiatives, all coaches need to update their scores and statistics on MaxPreps after each game throughout the season.**

**Which sports are included?** Baseball, Softball, Football, Basketball, Soccer, Volleyball, Golf and Tennis.

**What is my responsibility?** Athletic Directors need to make sure all coaches from the above sports keep schedules, rosters, scores and statistics updated on MaxPreps. If a coach has never signed into MaxPreps, here are a few different options to get started:

2. Send your coaches to [www.maxpreps.com/cl](http://www.maxpreps.com/cl) to sign up and request their unique team access code.
3. If preferred, any AD with access to their administration page on MaxPreps can give access to coaches from the “Manage Teams” tab. Please contact MaxPreps if you have questions.

**Is MaxPreps compatible with other stat programs?** Yes! In addition to MaxPreps own mobile, tablet, and desktop tools, MaxPreps is compatible with over 40 different stat companies across multiple sports to make entering results seamless.

**Can I enter my data from my phone?** Yes! MaxPreps has launched the free app, **MPCoach**, for coaches & ADs! Coaches can now manage rosters, team schedules and scores on their phone. The app will also alert coaches after their games to remind them to enter their box scores directly on their phones! It's available for [iOS](#) and [Android](#).

**Can coaches allow a team statistician or assistant coach to help manage their team information?** Yes! Once the coach has access to their team admin page, they can allow other individuals to keep their team information accurate.

**Can I share my results with local media?** Yes! Once scores and statistics have been entered on MaxPreps, you will have the option to share your game results to the local media, and your own personal contacts, with a few simple clicks within your MaxPreps coach admin.

**Where can I go if I have questions?** MaxPreps has a dedicated support team that can be reached at [support@maxpreps.com](mailto:support@maxpreps.com) or (800) 329-7324 ext.1.
