

Traders Point Christian Schools To Hire Head Boys Varsity Baseball Coach

Traders Point Christian Schools (TPCS), a co-ed, private, early childhood through 12th grade school located on the northwest side of Indianapolis is seeking candidates for its Head Varsity Baseball coaching position.

Located in Whitestown, the fastest growing community in Indiana, TPCS is a fully accredited (ACSI) school serving over 520 students from six diverse central Indiana counties. Located on a 25-acre campus, TPCS challenges and educates students within the framework of a Biblical worldview while leading them to a personal faith and transformed life in Jesus Christ.

TPCS recently held their fourth ribbon cutting in four years with the recently completed 14,000 square foot junior high building. The junior high is located adjacent to the high school which opened in 2017 along with Witham Field. The Reed Athletic Center for strength and conditioning opened its doors in 2019 and the high school added seven classrooms also in 2019.

The TPCS Knights were admitted to the IHSAA in 2014 and began playing in end of season tournaments in the 2018/19 school year. This year the Lady Knights Volleyball team was undefeated and brought home the first sectional championship in school history. TPCS has seen tremendous growth and success with their athletic programs and appreciates the support of Witham Health Services as a sponsor and provider of athletic training for all programs offered grades 5 through 12 as well as the services of a sports medicine physician.

The Knights Baseball Program is preparing for significant growth in the near future. In fall of 2020, TPCS received a program changing financial investment in the future success of the baseball program. This investment is expected to provide for the needs of a championship contending program. Additionally, acquisition of land for the construction of the first Knights Baseball Home Stadium is a priority, with aspirations of opening prior to the 2022 season.
