

With assistance from the Indiana Golf Association guidelines and the USGA, the Indiana High School Athletic Association supports the recommendations outlined in this document which are meant to decrease potential exposure to respiratory droplets by encouraging social distancing, limiting participation in administrative tasks to essential personnel and allowing for appropriate protective equipment. These are not mandatory, but rather items for consideration for schools when planning for and participating in golf contests. Note: This is not an exhaustive list and there might be additional steps in each school, city, and state to help prevent the spread of virus. Even when taking all precautions, there will still be risk of transmitting illnesses. Everyone should stay vigilant about the health of members of their teams. Lastly, the situation with Covid-19 continues to change rapidly. These recommendations may quickly become outdated. Please keep up with the latest from the CDC and other federal, state and local health officials.

GENERAL RECOMMENDATIONS

Coaches:

- Communicate your guidelines in a clear manner to students and parents.
- Consider conducting workouts in "pods" of same students always training and rotating together in practice to ensure more limited exposure if someone develops an infection.
- Ensure social distancing as much as possible.
- Keep accurate records of those athletes and staff who attend each practice in case contact tracing is needed.
- Sanitize equipment as often as time permits.
- Consider wearing a mask when working in close contact with athletes.

Students:

- Consider making each student responsible for their own supplies.
- Students should wear their own appropriate workout clothing (do not share clothing), and individual clothing/towels should be washed and cleaned after every workout.
- Hand sanitizer should be plentiful at all contests and practices.
- Athletes should carry personal hand sanitizer in their bag.
- Athletes should tell coaches immediately when they are not feeling well.
- Cloth face coverings/masks are permitted, if an individual prefers to wear one. Cloth face coverings/masks are not required.
- Bring your own water/food. Parents: (A family's role in maintaining safety guidelines for themselves and others):
- Make sure your child and immediate household members are free from illness before participating in practice and competition (if there is doubt stay home).
- Provide personal items for your child and clearly label them.
- Disinfect your student's personal equipment after each contest or practice
